## Letters to the Editor

Dear Editor,

My lovely dog, Lady and I would like to extend a warm welcome to our new neighbors in Hollywood Land. On our rounds yesterday, we met the loveliest of sisters, Anna and Elsa, who are simply beside themselves to be here. Perhaps Lady and I will expand our daily walks to include their frosty patch of town. Of course, we'd need to get new matching winter coats and reacquaint ourselves with all the rules of the snow. Should anyone notice, mind you.

Lovingly,  
Donna the Dog Lady

Dear Editor,

I'd like to use this forum to place everyone in Buena Vista Street on official notice. I've observed quite a bit of peculiar good behavior lately, particularly as it pertains to Hollywood Land. Apparently, a few new "cool characters" have blustered into town, and they seem to be bringing quite a bit of joy to the local atmosphere. I'll continue to look into it and report back.

Officially,  
Calvin the Cop

Dear Editor,

As we're all aware, I've had extensive travels around this beautiful, exotic world of ours. And I've photographed everything from Vatnajokull to Phuket. But nothing has struck my lens as interestingly as the arrival of one "Arendelle" in Hollywood Land. It is truly a sight for all to behold. And who would've thought I would discover it right here in my own backyard?

Ciao,  
Phiphi the Photographer

## Royalty Arrives

That's right "Frozen" fans, the beloved sisters Anna and Elsa have arrived into town and are holding a special royal greeting at "Anna and Elsa's Royal Greeting" inside the Disney Animation Building. Everyone who's anyone is lining up to meet them.

The Animation Courtyard has been transformed to welcome the royal pair and now features sketches, film images, video clips, and music from this Academy Award-winning blockbuster hit.

And to celebrate the arrival of "Frozen Fun", Disney artists at the Animation Academy, are asking the question, "Do you want to draw a snowman?" Talented artists teach you to draw some of your favorite Disney characters. With a little bit of creativity and imagination you could have an image of Olaf grinning back at you.

The Disney Animation Building is located on Hollywood Blvd, next to Disney Junior - Live on Stage! and offers adventures into the imagination, including Turtle Talk with Crush.

## Arendelle Throws Snow Fest!

Indeed, the quaint Nordic village has embraced its wintery ways with "Olaf's Snow Fest!" - a swell celebration of all things snow, inspired by, who else, Arendelle's heroic snowman Olaf! That's right, just beyond the doors of Hollywood Land's Stage 17 awaits an immersive winter wonderland, filled with Arendellian architecture and ceremonial culture fit for a king.

But just what snow fest would be complete without snow? An actual snow play area with a snow slide and enough fresh powder to build your very own snowman? Well, "Olaf's Snow Fest!" delivers, dear boys and girls. In fact, Olaf himself is standing by, ready to greet his frosty fans with enough warm hugs to bring an early onset of summer.

And if that isn't enough to get the

blizzard blazing, catch the whimsical, comedic musical performances of The Frolicking Fjords and The Tubadors. Or grab a hot chocolate with marshmallows, an Anna and Elsa cookie, or any of Arendelle's other tasty treats!

Indeed, dear readers, if you only attend one snow fest this year, make sure it's "Olaf's Snow Fest!" Just catch it before it melts away.

Yah, even the weariest of travelers are destined to find something to bring 'em in from the cold.
